or 988**

The TRUST program supports individuals in Santa Clara County who are emotionally distressed by helping to stabilize them in the community.

Call TRUST for support with mental health-related distress, substance use situations, or thoughts of suicide. Once you're in touch with TRUST, our call center can send a field response team to your location as needed.

TRUST

- Community-based, non-law enforcement approach
- Prevention-focused mental health and substance use support
- Peer support from individuals with lived experience
- No active safety concerns
- Available 24/7

A PARTNERSHIP BETWEEN

WELLNESS • RECOVERY • RESILIENCE
